President: Mihail Garevski (Republic of Macedonia) e-mail: garevski@pluto.iziis.ukim.edu.mk
Vice-Presidents: Martin Koller (Switzerland) e-mail: martin.koller@resonance.ch
Mauro Dolce (Italy), e-mail: Mauro.Dolce@protezionecivile.it
Secretary-General: Atilla Ansal (Turkey)
Secretary: Andreas J Kappos (Greece), e-mail: ajkap@civil.auth.gr
Treasurer: Rainer Fleisch (Austria), e-mail: Rainer.Fleisch@arsenal.ac.at
Executive Committee: Zygmunt Lubkowski (UK), Alain Pecker (France), Carlos S. Oliveira (Portugal)
Honorary Members: D.Anicic (Croatia), P.Fajfar (Slovenia), A.Moinfar (Iran), B.Pavicevic (Montenegro)
Audit Committee: Emil Sever Georgescu (Romania), Rudolf Heuer (Austria)

GUIDELINES FOR EUROPEAN CONFERENCES ON EARTHQUAKE ENGINEERING

Approved September 2013

1. European Conferences on Earthquake Engineering are organised every four years in a city selected by the EAE Association Council.
2. Each Member Association can make a bid to organise a European Conference on Earthquake Engineering by filing an application with the Central Office prior to the last EAE Executive Committee Meeting.
3. The bid should specify the city, the venue of the conference and most probable dates as well as the Chairman of the Organising Committee.
4. The Member Association elected by the Association Council is the responsible for the organisation of ECEE under the guidance of the EAE Executive Committee.
5. The organisation of the ECEE should at least be composed of Local and International Organising Committees and Scientific Committee. The elected Member Association can establish other committees if they consider necessary.
6. The EAE Executive Committee members should be in the International Organising Committee and members of IOC should be exempted from registration fee.
7. The EAE National Delegates and Working Group Coordinators should be in the International Scientific Committee.
8. The Chairman of the ECEE Organising Committee need to make the necessary preparations and notify the EAE Central Office about the composition of the Local and International Organising Committees and Scientific Committee, the draft technical program, list of keynote and theme lecturers for the approval of the EAE Executive Committee.
9. The Local Organising Committee need to prepare the first announcement for the forthcoming ECEE within the two years after the election by the EAE Association Council. The second announcement with all the important dates, registration fees, list of International Organizing and Scientific Committees and draft technical program should be available for distribution and on the conference web pages 12 months before the conference dates.
10. During the Conference the Local Organising Committee need to allocate:
 - Sufficient number of lecture rooms for parallel technical sessions for oral and poster presentations,
 - Sufficient number of meeting rooms for EAE Working Groups to organise business meetings,
 - One meeting room during the first and last days of the conference to enable EAE Executive Committee to have two meetings.

- One office room during the conference for the EAEE Secretariat.
11. The Local Organising Committee need to organise
 - the EAEE Association Council Dinner preferably in the second evening of the Conference
 - the EAEE General Assembly preferably in the fourth evening of the Conference
 - a Conference Dinner preferably on the third evening of the conference,
 - An opening and closing sessions with the presence of the Officers of the EAEE Executive Committee,
 - A General Session for the presentation of the EAEE Prof. Nicholas N. Ambraseys Keynote Lecture selected by the EAEE Executive Committee.
 12. The EAEE Honorary Members need to be exempted from the registration fee for the conference. The EAEE Secretary General and EAEE employees should be exempted from the registration fee for the conference
 13. The conference registration fee needs to be reduced for the individual members of EAEE.
 14. The Local Organising Committee need to make the necessary arrangements to have the proceedings published before the conference, preferably with keynote and theme lectures as separate volume in the Springer Book Series on Geotechnical, Geological, and Earthquakes Engineering.
 15. The technical sessions may be composed of invited lectures as well as some selected oral presentations.
 16. Chairman and/or Second Vice-President report the progress of the ECEE to the EC.
 17. The local organiser should provide a free exhibition booth for EAEE.
 18. The Organisers of ECEE should support the EAEE budget by donating 1% of the registration fee of all the participants registered fully.
